**ATTACHMENT B**

I, Matthew Wisdom, am a Special Agent with the United States Drug Enforcement Administration (“DEA”). I am fully familiar with the facts set forth herein based on my own investigation, my conversations with other law enforcement officers and cooperating sources, and my review of reports, documents, and other items of evidence. Because this Complaint is being submitted for a limited purpose, I have not set forth each and every fact that I know concerning this investigation. Where statements of others are related herein, they are related in substance and part. Where I assert that an event took place on a particular date, I am asserting that it took place on or about the date alleged.

1. Law enforcement has been investigating a drug trafficking organization (“DTO”) operating in the District of New Jersey and elsewhere. Based on the investigation, law enforcement learned that on or about January 31, 2022, defendant Manuel A. Quinones (“Quinones”) was in possession of narcotics in a parking lot in or around East Brunswick, New Jersey (the “Parking Lot”).

2. Subsequently, law enforcement located Quinones, who was driving a white Acura (the “Acura”), in the Parking Lot. When law enforcement approached the Acura, Quinones attempted to drive away and almost rammed a law enforcement vehicle. Law enforcement eventually detained Quinones.

3. Thereafter, law enforcement introduced a narcotics-detecting canine to the Acura, which positively alerted to the presence of narcotics within the Acura. Law enforcement then searched the Acura, which contained approximately 1,000 suspected fentanyl pills and approximately seven pounds of suspected crystal methamphetamine. Law enforcement later field tested a sample of the suspected crystal methamphetamine, which field tested presumptively positive for the presence of methamphetamine.

4. Law enforcement subsequently conducted a lawful search of Quinones’ Pennsauken, New Jersey residence (the “Residence”), which was listed as Quinones’ address on his driver’s license. Among other things, law enforcement recovered approximately 2,000 suspected fentanyl pills, approximately 300 grams of suspected fentanyl powder, approximately one pound of suspected crystal methamphetamine, and approximately ten pounds of suspected marijuana.

5. In addition, inside the Residence, law enforcement recovered two firearms—a loaded .25 caliber Raven Arms pistol bearing serial number 470231 (the “Loaded Pistol”) and a .357 Smith and Wesson revolver bearing serial number N93533 (the “Revolver”)—as well as at least 41 rounds of Blazer 9mm ammunition (the “Ammunition”), a drum magazine, capable of holding

approximately 40 rounds of 9mm ammunition, and a bulletproof vest. Notably, the Loaded Pistol was found in the same closet as approximately one pound of suspected crystal methamphetamine, and the Revolver was found in the attic in proximity to approximately ten pounds of marijuana and the bulletproof vest.

6. Prior to knowingly possessing the Ammunition on or about January 31, 2022, Quinones knew that he was a convicted felon, as he had at least one felony conviction, including a conviction on or about July 13, 1998, in Camden County Superior Court, for violation of N.J.S.A. § 2C:35-7, a crime punishable for a term exceeding one year, and for which he was sentenced to five years' imprisonment, and a conviction on or about June 6, 1995, in Camden County Superior Court, for violation of N.J.S.A. § 2C:20-7, a crime punishable for a term exceeding one year, and for which he was sentenced to four years' imprisonment.

7. The investigation has shown that the Ammunition was manufactured outside the State of New Jersey and thus necessarily had to travel in interstate commerce prior to Quinones' possession of the ammunition in New Jersey on or about January 31, 2022.

8. Based on the investigation, the Revolver and the Loaded Pistol appear capable of, and designed to, expel projectiles such that they each meet the definition of a firearm under federal law.
